

End Corns

The simplest way to end a corn is Blue-jay. Stops the pain instantly. Then the corn loosens and comes out. Made in clear liquid and thin plasters. The action is the same.

WOMAN SO ILL COULD NOT STAND

Says Lydia E. Pinkham's Vegetable Compound Made Her Well and Strong

Glen Falls, N. Y.—"For over two months I was so sick I was not able to stand on my feet, and my husband did my housework. The doctor said an operation might be necessary. I read testimonials about Lydia E. Pinkham's Vegetable Compound and began to take it. Before I had finished taking the first bottle I saw what good it was doing me. I am now well and strong, doing all my work for a family of four, all my washing and my sewing, which I think is remarkable, as I had not dared to run my sewing machine, but had done all my sewing by hand. I truly feel that were it not for your medicine I would not be here today as my case seemed very serious."—Mrs. GEORGE W. BURMAN, Glen Falls, N. Y.

\$56,770 INCOME TAX MONEY FOR CAYUGA COUNTY

Some of the holiday spirit in the county treasurer's office is due to the fact that he received this morning a check for \$56,770.31, which the state tax commission certifies is Cayuga County's share in the first distribution of the 1922 collections from the personal income tax.

The city of New York, through the receiver of taxes, was sent a check for \$1,585,182.49, as its share of the first distribution of the greater city. In all, the county treasurers outside of New York City received checks totalling \$5,642,847,751, making up the combined distribution of 17,500,000 at this time.

This means that the localities, through the county treasurers, are receiving this year 25 per cent more from personal income tax moneys than they did a year ago, when the distribution was \$14,000,000. Every county in the state gets more than last year but the increase is not equally distributed because all have not ratably raised their assessed valuation of real property on which the distribution is based.

Since last year the total assessed valuation of real property has been increased \$863,811,822. In New York City alone close to six hundred million dollars has been added to the assessment rolls and the balance throughout the other counties.

The state treasurer is also gladened by the receipts of a check for \$17,500,000 as the state's half of the \$35,000,000 being paid out at this time.

This reflection of prosperity will be felt in even the school districts of the state, for they as well as the cities, towns and villages received their portions of this fund according to the assessed valuation of their real property.

New York state's assessed real property, on which this distribution was made, now totals \$16,065,033,961, of which Greater New York lists \$10,844,235,898. Last year the combined assessed real property valuation in the state was \$15,141,722,138.

Comparative tables follows showing payments this year and a year ago on the first distribution from these personal income tax moneys.

Fine Cast in Jefferson Feature
Napoleon once said that a soldier in fear of his life who pressed steadily forward despite his trepidation was a braver man, and infinitely more heroic, than the fellow who never knew fear.

And in *The Last Moment*, the photoplay which was shown at The Jefferson yesterday, there is a striking and thrilling picturization of this stirring idea.

As the title would indicate, a youth with a sheltered and bookish background is unexpectedly plunged into a terrifying situation, but for the girl he loves he rises to heights of the finest heroism. The action takes place on a schooner mastered by a delightful brute of a man who enforces his whims with two brawny fists, his boots or with a belying pin.

But the feature about *The Last Moment*, which makes the picture one of the most thrilling ever screened is *The Thing*, a nightmare of horror, which suddenly confronts the nice young folks. What *The Thing* is, we won't tell you, because that would destroy the suspense if you saw the film.

Large crowds at The Jefferson yesterday witnessed the production of *The Last Moment*, and certainly were entertained. It is one of the most stirring presentations of the season. It is unusual in many ways. The story grips from the start and the array of character, each ably done, is more than interesting. It is a picture well worth seeing, and further opportunity will be given, for Manager Bengough booked the feature for four days. It will be shown again tonight, Tuesday and on Wednesday, Fourth of July, with continuous performances.

The comedy feature on this strong program is *In-Bad in Bagdad*, in which those film cut-ups, Joseph Rock and Billy Rhodes, as the featured funmakers. It is a rollicking bit and drew many laughs from the audience yesterday. The always interesting *Pathe News* is another feature. The Jefferson Orchestra plays likeable compositions and the score for *The Last Moment* is especially appropriate.

The management announces for showing Thursday, Friday and Saturday at The Jefferson the notable picturization at Booth Tarkington's famous novel, *Alice Adams*, one of the most discussed and most praised books of the last two seasons.

At The Universal.
Jackie Coogan in *Daddy*, the picture which opened at The Universal for a three day showing continuing over Tuesday, revealed the undiminished power of this brilliant star to draw to him all classes and ages and both sexes. He has a vehicle that appeals with equal force to every member of the family from staid, sedate grandpa to irrepressible Bill or Jack or Mary. Humor, pathos, blithe merriment and praiseworthy boyhood tricks follow one another across the silver sheet, evoking tears, laughter, thrills and chuckles at the will of this great little actor. Indeed, there is one scene in the picture in which little Jackie proves himself to be as has been claimed for him by eminent critics, the greatest actor, regardless of age, in the American theatre. It is where the forlorn boy loses the protecting fatherhood of his foster daddy and finds his real daddy, whom he has not seen since his tiny babyhood. E. Mason Hopper's directorial genius has brought out the best in each member of the supporting cast. There will also be presented a special comedy, *News Reel* and music by the Universal Orchestra.

BAND CONCERT AT GROTON WILL BE GIVEN TOMORROW

The regular weekly band concert which is usually held in Groton on Wednesday evening will be held tomorrow, due to the out of town engagement of the Band on the holiday.

The concert this week will be somewhat of a diversion from the usual program in that it will be strictly a popular concert. Director Modjeska has spent the past two weeks selecting the newest and best "hits of the day" and each number played by the Band Tuesday night will be a popular melody now being used by the principal hotel, theater, and cafe orchestras in New York this summer.

Perfumes first were used only in religious services, and were consecrated to this use.

FIREMEN ADVANCE PLANS FOR STATE CONVENTION

Members of the Auburn Fire Department have started plans to make the coming state convention of the New York State Permanent Firemen's Association a big success. Delegates from all paid departments in the state affiliated with the organization will be here on September 10 and 11.

The firemen are at work selecting a committee from their membership to handle the local details together with a citizens committee to be named by City Manager John P. Jaekel.

John Clark of Hose 1 was delegate to the convention at Troy last year and succeeded in having Auburn chosen for this year. Capt. John Maher of Hose 2 is a vice president of the state organization.

Second Church Field Service Rev. L. W. Lunn of St. Stephen's Church, Romulus, is arranging for the second Out Door Field Service, which will be held on the grounds adjoining St. Stephen's Church, Romulus, on Sunday, July 8 at 4 p. m.

That day will mark the completion of 39 years of more than ordinary efficient and successful church work by this popular little church. At this coming service the Ven. Archdeacon Foreman of Syracuse will be the speaker. The Knights Templar quartet of Commandery No. 29 of Geneva will render a sacred musical program. A cordial invitation is extended to all tourists who are going through this beautiful Finger Lakes section to stop and unite in this popular service.

CHURCH OF ST. PETER AND ST. PAUL HOLDS AN OUTING

The annual outing and picnic of the congregation of the Greek Catholic Church of St. Peter and St. Paul was held yesterday at Casey Park in Northwest Auburn. This picnic marked the first that has been held at this park this season.

There was an interesting program of entertainment throughout. The feature of the program was a ball game played in the afternoon between the Ukrainian Athletic Club team and the International Harvester Company aggregation. The Ukrainian team won the game by a one sided score.

A monument to commemorate the services of the carried pigeons in the late war has been erected in Merseburg, Prussia.
