AUBURN DRIVER NABBED AS HE ENTERS CITY

Halted After Police Here Get Call From Troopers Concerning Hit and Run Accident In Union Springs

Henry C. Sincerbeaux, 55, of 9 Derby Avenue, was brought before Recorder John L. Naskiewicz today charged with "violation of the Vehicle and Traffic Laws" and pending the filing of more definite charges by police, the case has been adjourned to Friday.

Sincerbeaux has been paroled on his own recognizance. State Police Corporal William C. Kealey said that his department also wants to question Sincerbeaux concerning a hit and run accident that occurred in Union Springs on Saturday.

Auburn police were notified by state police about 9:40 p. m. Saturday that a car for which they were searching was seen coming in Genesee Road to Auburn. The information was relayed to a police radio car and in a few minutes Radio Car Officers Peter Namisnak and Clarence Vatter came into headquarters with Sincerbeaux in custody.

Corporal Kealey reported that a car driven by Sincerbeaux allegedly struck one owned by Ray Bouley of Farley's Point, Union Springs, doing some damage to Bouley's car. The state police corporal said that the car that struck Bouley's machine did not stop but drove away.

Auburn police say that when they stopped Sincerbeaux there was evidence on his car that the machine recently had been in an accident.

Social Notes and Personals

Thomas P. Stewart, son of Mr. and Mrs. Weir Stewart, a student at Princeton University, will this week attend the annual session of the National Intercollegiate Christian Council at Bowling Green State University, Bowling Green, Ohio.

Mr. and Mrs. Phil Jetter, RD 6 Auburn, are visiting in Buffalo.

Daniel R. Kirk, of 232 Woodlawn Avenue, will enter Springfield College, Springfield, Mass., as a freshman, at the fall term beginning September 20.

Robert and Louis Contiguglia, the oldest twins of Mr. and Mrs A. J. Contiguglia of 125 Herman Avenue, will this fall enter Hamilton College in Clinton. Their older sister, Lilliana, will commence her junior year at Ithaca College on September 19.

Sue Hosley, daughter of Mr. and Mrs. Truxton Hosley, of 12 Holley Street, celebrated her 10th birthday Saturday with a party at her home. Sue's father who is a magician entertained the guests. Present were Judy Austin, Geneviere White, Barbara Loomis, Marlene Burghduff, Shirley, Janet and Jackie Coleman, Ann Searing, and Richard Hosley. Games were played and refreshments enjoyed.

Fred Wright, Sr., of Hartford, Conn., is visiting at the home of Mr. and Mrs. J. Frank Jenner, 110 Genesee Street.

Stephen E. Cook, president of the Auburn Teachers Association, has returned from the first Leaders Workshop of the New York State Teachers Association at Silver Bay, on Lake George, September 8-11. The workshop program covered four areas of study: public relations, group dynamics, professional responsibilities and program planning.

Miss Marianne Sullivan of 3 Chestnut Street, left today to enter the freshman class in the Home Economics Department of New York State College for Teachers at Buffalo.

ARIZONA GIRL IS MISS AMERICA

Atlantic City, N.J., Sept. 12.—(AP)—An Arizona ranch girl headed for the big city today to start her career as Miss America, 1949.

Dark-haired, brown-eyed Jacque Mercer of the X-Bar-X Ranch, Litchfield Park, Ariz., who won the title Saturday night, starts on a round of personal appearances that will take her back across the continent.

The 18-year-old daughter of Mr. and Mrs. Arthur L. Mercer came here from her ranch home after winning the title Miss America.

As the new Miss America she gets a $5,000 scholarship and a $3,000 automobile, plus contracts for the personal appearances. She won the awards over a field of 52 beautiful girls from 45 states, four major cities, Hawaii, Puerto Rico and Canada.

Although her long-range plans are "marriage first, career second," her immediate objectives are another year at Phoenix Junior College and then Leland Stanford University. She's studying dramatics, and it was a dramatic reading from Shakespeare's "Romeo and Juliet" that gave her first place in the talent division of the pageant.

The shortest Miss America since 1921 (five feet four inches) and the lightest ever (105 pounds) she neither smokes nor drinks.

Miss America's married counter part, Mrs. America, was selected yesterday at Asbury Park, 60 miles north of here on the Jersey shore, and promptly suggested a "Miss-Mrs." comparison.

Mrs. Frances L. Cloyd of San Diego, Calif., 23-year-old mother of three children, contended that a woman had to be married before qualifying as really mature and beautiful. She suggested a competition "perhaps for charity."

Huge Highway Funds for State

Washington, Sept. 12—(AP)—A total of $30,096,167 in federal funds will be available to New York State for improvement of highways during the year ending June 30, 1951.

The state's allotment from the $450,000,000 authorized for all states by Congress was announced by Secretary of Commerce Sawyer.

New York was allotted $9,621,543 for primary roads, $3,792,806 for secondary or feeder highways and $16,681,818 for urban roads.

Congress last year appropriated $450,000,000 for each of the 1950 and 1951 fiscal years. Allotments to the states for the year ending June 30, 1950, were announced late last year.

The states are required to match federal funds.

PIORKOWSKI HAS THANKS FOR SUPPORT

John Piorkowski of 72 Pulaski Street, widely known resident of the Fourth Ward, issued a post-primary statement today in which he expressed gratitude to his many friends and supporters for their write-in campaign in his favor in last week's primaries. Mr. Piorkowski was credited with 180 write-in votes in the Democratic Primary and also with a number of write-ins in the Republican Primary. The veteran Supervisor Frank J. Sikora, of 63 Perrine Street, who was endorsed by both major parties, was the victor.

Civic Leaders in Special Broadcast Tuesday Night on Local and National Problems

An unusual feature of local and national importance will be heard over WMBO and WMBO-FM tomorrow night beginning at 9 o'clock and continuing until the two stations leave the air. Prominent civic leaders, businessmen and Auburn industrialists will take part in the broadcast and will each conduct a portion of the program.

Because the subject of the program will be one that is currently presenting a problem being experienced not only on the local scene but also one that is causing considerable national difficulties, the management of the two stations is making this period of time available in an effort to help further the work which the program's guests will discuss.

Gerard Lesch Wins Owasco Club Golf Championship

Dr. Gerard A. Leach, World War Two veteran and well known Auburn dentist, now takes his place among the local golf champions. Several days ago he entered the Owasco Country Club championship tourney and he started right in by making some excellent scores, mowing down one opponent after another.

In the 1949 tourney his game never faltered and soon the club galleries began to follow his play. He clubbed his way right up to the finals on Sunday and in a close struggle he defeated D. Barton Chapman 2 and 1 to win the club championship. Doctor Lesch received a big hand from the gallery that followed the finalists.

Dr. Lesch defeated Ken Shaw to enter the finals while Chapman, a former champion, who has been runnerup in three of the past four tournaments, subdued Harry Fonda. Floyd D. Ramsey was last year's champion.

Low Level for Farm Products

Albany, N. Y., Sept. 12—(AP)—Prices paid New York farmers for their products last month reached their lowest level since 1945, according to the State Agriculture Department.

The department yesterday reported a farm price index of 232 in mid-August, compared with 279 in August, 1948. The index is based on 100 for the years 1910-14.

The price of milk, largest source of income for New York farmers, was down 18 per cent, or approximately $1 a hundred pounds from last August, the department noted. It reported prices paid for potatoes, apples, chickens and milk cows were about one-fifth below a year ago.

The index reflects only prices received by farmers and does not take into account variations in costs of production. However, the department said that, in general, costs were falling more slowly than the prices paid to farmers.

Copley's Car Damaged by Fire

Fire Chief James S. Doyle reported two single company details for his department over the week-end. The most serious damage occurred to a car owned by Herbert K. Copley of 134 Grove Avenue. The car was parked in Locust Street when flames did considerable damage to its interior. Just what caused the fire was unknown. The alarm was received at 7:44 p. m., Saturday. Engine Co 4, was detailed.

An alarm was received shortly before 4 p. m. Saturday and Engine Company 3 was dispatched to the New York Central Railroad crossing in Clark Street. There dry grass was burning. There was no damage.

SAVINGS AND LOAN ASSETS BOOSTED

Saranac Inn, N. Y., Sept 12—(AP)—Savings and Loan Associations in New York State recorded the greatest increase in assets in their history during 1948, a banking official said today.

Zebulon V. Woodard, executive vice president of the State Savings and Loan League, told delegates to the league's 61st annual convention:

"The consolidated balance sheet of the 236 Savings and Loan Associations in the state reached a total, on Dec. 31, 1948, of $1,147,665,000. This is an increase of $151,720,000 over 1947, when total assets of all Associations in the state were $995,945,397. The increase for 1948 is the greatest yet recorded in the history of our business."

In his annual report, Woodard said that figures for this year so far showed that Associations still were making gains but that the gains were "somewhat less than they were last year."

"Official figures show that on June 30, 1949, Savings and Loan resources were $1,213,870,000, an increase of $66,205,000 for the first half of 1949," Woodard reported.

He said New York ranked second in the nation behind Ohio in Savings and Loan assets with approximately nine per cent of the country's total.

Woodard declared that despite a "considerable amount of pressure" to increase long term interest rates "it would appear that no general increase can be looked for in this respect."

"In New York," he continued, "the predominate rate of interest still remains at five per cent."

GOLDEN RULE SOCIETY OF CALVARY PREPARES

The Golden Rule Society of Calvary Presbyterian Church will open its fall activities Tuesday evening at the church with a supper and program at 6:30. A business meeting will follow at 8 o'clock when programs for the winter months will be outlined.

CALLS FOR PEACE, FELLED BY FIST; TWO ARRESTED

Innocent Bystander, 62, Victim of Daylight Melee In State Street—Cops Seize Pair Exchanging Wallops

A 62-year-old man who was trying to separate a pair of husky young scrappers in State Street late Saturday afternoon, was knocked cold when he stepped into the path of a fist. The fighters, Myrnice (Bucky) Titus, 23, of 48 Market Street, and Robert Pellig, 26, of 155 Clark Street, were arrested.

Arraigned today before Recorder John L. Naskiewicz adjournments were taken by Titus and Pellig to Friday for the filing of police informations. Both Titus and Pellig were paroled on their own recognizance to Friday.

Police were called about 4:20 p. m. Saturday. Sergt. Joseph Conboy was quickly on the scene. Soon Patrolman Joseph Myers, John Sawran and Francis Tenity appeared at the scene of the scrap, in front of 100 State Street. When they arrived officers found Martin O'Hara, 62, of 155 Clark Street, lying on the sidewalk and unconscious. Police learned that Titus and Pellig had been fighting and that O'Hara had attempted to stop the scrap and was accidentally "K.O'd" in the process.

O'Hara later recovered.

Sergeant Conboy directed the investigation at the scene and the alleged combatants and the helpless "innocent bystander" were loaded into a police car.

John Taber to Be Rotary Speaker

The Rotary Club will have for a speaker at its noon luncheon Tuesday at the Osborne Hotel Congressman John Taber, who is at home enjoying a respite from the Washington scene. The Rotary Cog's announcement states that "he has so many things to tell us, to warn us about and to report to us on important goings on in Washington, suffice it to say that his general subject will deal with the 81st Congress."
