

D. F. SULLIVAN DIES SUDDENLY

Well Known Auburnian, State Official, Was Attending Lake George Conference

Dennis F. Sullivan, 59, of 4 South Hunter Avenue, widely known Auburnian, was found dead this morning in his room in the Willard Hotel at Lake George, N. Y., where he was attending a conference of the Employment Security Agencies of New York State.

Mr. Sullivan for 15 years had been superintendent of the Central New York District of that organization. He had offices in Syracuse.

Mr. Sullivan was employment security supervisor for the Syracuse District of the Division of Placement and Unemployment Insurance of the Labor Department.

Dr. Hilton H. Dier, Warren County coroner, said death was due to a coronary occlusion.

Mr. Sullivan had joined 35 district superintendents for a meeting with administrative officials at the Hotel Willard. He died in his sleep, apparently early in the morning.

The sudden death of Mr. Sullivan shocked his associates at the Lake George conference.

Pays Warm Tribute
The following statement was issued by Milton O. Loxsen of Albany, executive director of State Labor Department, Division of Placement and Unemployment Insurance:

"Mr. Sullivan's sudden death has taken from New York State an exceptionally able and well-liked public servant who was a pioneer in helping to install the Employment Service program in the state. He did notable wartime service under the Manpower Program and has done important developmental work in the post-war period. His ability, resourcefulness, integrity and genuine devotion to his public responsibilities commanded the respect and affection of his community and of this organization throughout the state."

Mr. Sullivan was a member of Holy Family Church and of the Holy Name Society of that parish. He was a member of the American Legion and the Veterans of Foreign Wars. He was an Elk and a member of the Syracuse Rotary Club and the Syracuse Chamber of Commerce. He also was an active member of the Syracuse Liederkreis Club.

Survey Lists Jump in Tax Burden in Cayuga County

Cayuga County real estate tax levies increased by \$56,741, or 6.6 per cent, in 1949-50 over 1948-49.

Figures were released today by the Citizens Public Expenditure Survey, Inc., of Albany. Tax levy on property in Cayuga County was \$916,817 in the current fiscal year.

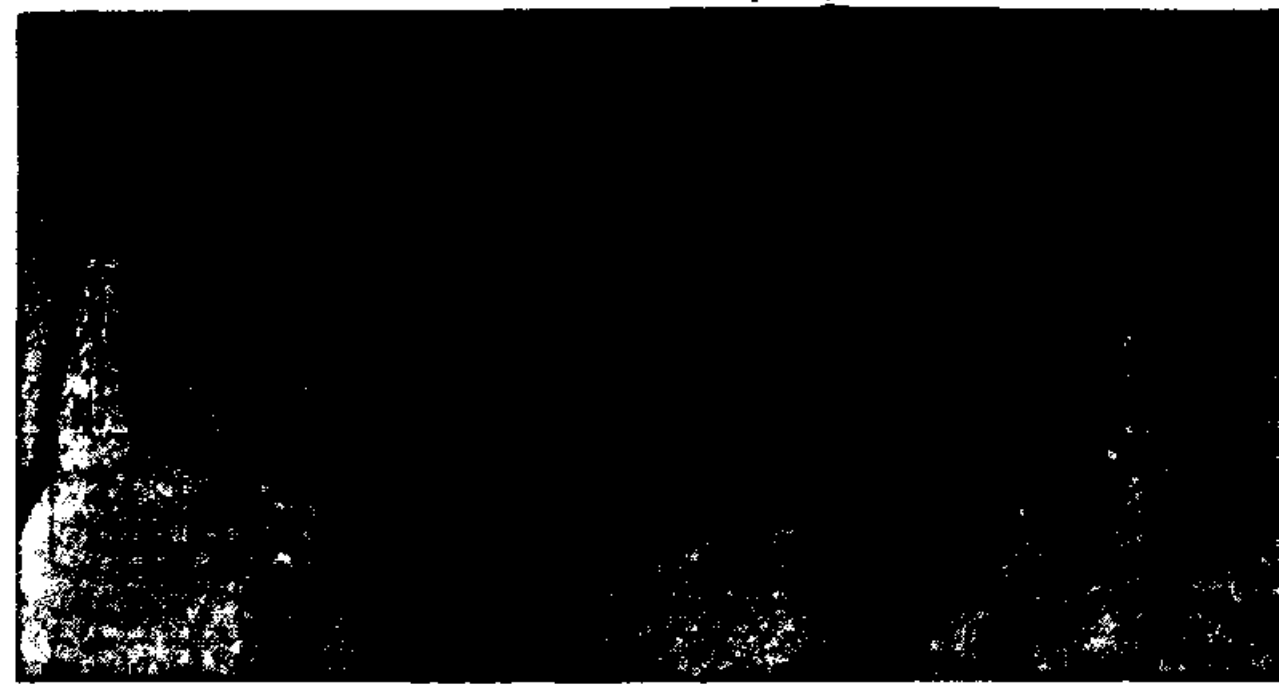

Increases totaling \$12,584,159 in real property tax levies were reported for 46 of the 67 counties in upstate New York. Eleven counties reported decreases total-

ing \$1,014,870.

Increased appropriations for welfare and public assistance were the outstanding cause of higher 1950 county budgets throughout the state. Increased hospital charges for care of welfare patients were a major factor in rising welfare costs.

Principal and interest payments on county indebtedness were generally lower in 1950 than in 1949, indicating further reduction in outstanding county debt.
