

City Office Left off Ballot

Speculation on a City Council appointment to the city judge's office today opened the covers on a bid by city officials which will give the Council an extra appointment this year.

A. Leon Goldman, city justice of the peace, and Attorney Paul J. Magill have been mentioned as being most seriously considered in the judgeship, vacated by Charles W. Avery. Mr. Avery, resigning, announced his resignation to become assistant district attorney here.

Mention of Mr. Goldman brought to light the fact that the job he now holds will be up for grabs Jan. 1.

Charter Provides

Mr. Goldman was appointed by the City Council Dec. 10, 1953, to succeed J. J. Ryan, who resigned to succeed the late William E. McGrath as city clerk. Under Section 24 of Auburn's city charter, elective offices which become vacant are to be filled by appointment only until the next general election.

Corporation Counsel A. J. Conington said this morning he believes this means any general election, not just one involving city officials.

Therefore, Mr. Goldman's appointment ends Jan. 1, with his successor, under the law, elected last Nov. 2.

Was Not Notified

The Cayuga County Board of Elections says the office was not included on this month's ballot because no notice of vacancy was received from the city clerk's office. Mr. Rybarczyk says he does not know how the slip occurred.

However, Auburn's seat of justice need not be vacant. Election laws provide the Council can, in such a case, appoint a new justice until the next general election. The term would come up on ballots next November in any case.

Council Successor

Councilman today were considering a successor to Mr. Avery. Mr. Avery succeeds Gerald Bapst, appointed by Gov. Dewey to succeed Surrogate Leonard H. Bearing. Surrogate Bearing resigned because of ill health. Mr. Avery said yesterday he plans to submit his resignation as judge Monday and to take office as assistant DA then.

Rescuers Lift Truck, Release Trapped Driver

Thomas J. Mitchell, 30, of 130 Hudson St. here, was in serious condition this afternoon at Memorial Hospital after being pinned under his bakery truck following an accident on the Auburn Cayuga Rd. six miles west of the city at 1 p.m. today. Mr. Mitchell's pelvis was fractured and he has numerous body bruises.

According to Trooper Thomas V. Sprout of the Auburn State Police, Mitchell was driving west on the road in front of him when he was struck by a truck. Unable to pass because of oncoming traffic, Mitchell applied the brakes and the truck skidded on the wet pavement and went off the right side of the road and dug into the bank. The impact threw Mitchell from the truck and the vehicle landed on top of him.

After being pinned under the bakery truck for a few minutes, Mitchell was rescued by R. J. Middleton who lives near the scene of the accident and "Bud" Quinn of Cayuga, James Smith of Auburn RD 5, James VanOrman of Cayuga who came about shortly after the mishap. The men managed to lift the truck so that Mitchell could get out. He was taken by ambulance to the hospital.

Harriman Has 11,875 Lead; 2 Counties out

NEW YORK (AP) — With the votes of only two counties remaining to be canvassed, Governor Averell Harriman has a lead of 11,875 over his Republican opponent.

Harriman, who ran on the Democratic and Liberal tickets, dropped 164 votes in two counties canvassed yesterday. In Cattaraugus County he picked up 15 but in Oneida County his opponent, Ben. Irving M. Ives, picked up 279.

The total official and unofficial vote now stands at 2,553,179 for Harriman and 2,541,305 for Ives. In Official For 60

This total is official for the 60 remaining counties and unofficial only so far as the votes in Greene and Albany Counties are concerned. For these two, the unofficial count reported right after the election is used.

In Albany the ballots have been impounded by Atty. Gen. Nathaniel Gouldin for investigation of alleged irregularities.

Absentees Not in

Ball to be added to the county votes are 6,339 absentee ballots from servicemen and their dependents. Those ballots are being held in a bank vault in Albany.

They will be taken to the election boards of the 62 counties by state troopers starting Tuesday and on Nov. 22 the boards will meet to count them.

Even if all these votes went to Ives, regarded as most unlikely, they would not change the election result.

1 German to Yell If Army Messes His Nice Budget

By CHARLES M. McCANN

Closed-fisted Fritz Schaeffer, finance minister of the West German Republic, does not want his nice budget messed up by his country's proposed 500,000-man army.

He is in favor of the army, of course. But he says that \$2,142,000,000 a year is positively the most he can afford to allot to defense costs to get the army started.

Authorities of the North Atlantic Treaty Organization, of which the German army is to be part, assert that \$3,300,000,000 would be about right.

Hence a big argument is in prospect during the next few months. Schaeffer will assert that West Germany is being plunged into the abyss of bankruptcy.

In the end, it is hard to see to whom Schaeffer probably will raise his estimate in approximately what he figured all along he would have to pay. It probably will be less than the NATO chiefs want.

Schaeffer is the most controversial man in the West German cabinet. He has been called a pro-Nazi. He has been a constant annoyance to Allied occupation authorities. He has annoyed his own people.

He was finance minister of Bavaria when the Nazis took power in 1933. He lost his job and was put under arrest for two weeks. He managed to survive the Hitler era, practicing as a lawyer in Munich, without either joining the Nazis or being listed as anti-Nazi. He served two months in Dachau concentration camp, however, as a possible accomplice in the 1944 bomb plot against Hitler.

After the war, the American Army named Schaeffer as minister-president of Bavaria. Not long after he took that office, people noticed that a lot of ex-Nazis were getting good jobs under him and that liberals were being frozen out.

Schaeffer lost his job again, however, Gen. George S. Patton Jr., then military governor of Bavaria, commented when asked about Schaeffer's status as a suspected pro-Nazi.

"There is about as much difference between a Nazi and an anti-Nazi as there is between a Republican and a Democrat."

Catholic Action Bazaar Nov. 29

The Rev. Robert A. Mang, Jr., pastor of St. Alphonsus Church, and moderator of the Catholic Action League, was guest speaker at the November meeting of the league held Thursday evening in the school hall. Father Mang's talk was entitled, "The Holy Eucharist." Also present were the Rev. Frederick G. Straub, pastor, and Rev. Frederick Elsmann.

A covered dish supper was served to more than 50 members and guests.

Following the supper, a business meeting was conducted with Miss Marion L. Berry, presiding. Arrangements were completed for the annual Christmas bazaar which will be held in the school hall on Monday, Nov. 29 from 9 a. m. to 9 p. m. Mrs. Louise W. Merna, chairman, announced that a home cooked supper will be served to the public from 5:30 to 7:30 p. m.

Reports were given by the following chairmen: Miss Marianne Sullivan, aprons; Miss Mary E. Monahan, mittens and knitted articles; Miss Wilhelmina C. Salzer, plants; Mrs. Alfred G. Gehrin and Mrs. Robert P. Schneider, candy; Mrs. Jean Brown, parcel post; Miss Rose M. Ferrara, fish pond; Mrs. Elizabeth L. Cowan, religious articles; Mrs. Harold L. Weaver, opportunity booth.

It was voted to contribute a cash donation to the City Welfare and County Welfare for the children's Christmas.

For the benefit of the St. Alphonsus Club, Eugene L. Fauci presented attractive packaged Christmas cookies.

Miss Berry thanked Miss Mary Clifford, Miss Genevieve Vail and the following for taking charge of this meeting: Mrs. Thomas Heron, Mrs. Jean Brown, Mrs. Patrick J. Hand, Mrs. Henry T. Clifford, Mrs. Alfred D. Clifford, Misses Wilhelmina and Elizabeth Salzer, Mrs. Thomas J. Carroll, Mrs. Cyril A. Smith, Mrs. Gustave A. Wietheuer, Mrs. Elizabeth L. Cowan, Mrs. Alice Shaw and Mrs. Alfred Inelch.

Cause of Baby's Death Sought

Investigation was under way this afternoon to determine the cause of death of a six-month-old infant, the daughter, Rose Mary, of Mr. and Mrs. John Murray of Montezuma.

The child was dead on arrival at Mercy Hospital shortly before 9 a. m. today, hospital attendants stated. Dr. Kenneth Ruppel, health officer of the Town of Montezuma, was notified.

An autopsy was to be performed this afternoon. The body of the infant was removed to the Farrell Funeral Home in this city.

The Soviet Union has given strong indications recently she is planning to set up an East European security system in answer to the West's North Atlantic Treaty Organization.

It is believed that Marshal Georgi Zhukov, Vasily Sokolovsky and Konstantin Rokossovsky—all Soviet World War II heroes—are now working out details of the new alliance. They also are expected to play leading roles in the military organization.

The Soviet Union and its satellites have signed mutual assistance treaties and trade accords. But as far as is known, Red East Europe has no formal interlocking military alliance placing war resources under a single command.

British officials say Moscow's current propaganda line is practically spelling out the Kremlin's position which they believe will materialize at a conference on Nov. 29.

In a note to European nations and the United States last week, the Soviets suggested an international conference on that date to discuss European security.

Most Western powers already have indicated they will turn down the bid. The United States, Britain and France say they will not enter direct talks with the Soviets until the Paris agreement on the freezing and rearranging of West Germany have been ratified by the parliaments of the signatory nations.

Soviet satellite states, however, are falling into line.

Finland also had accepted the Soviet invitation, but only if other invited nations participate. The Helsinki government was the first nation outside the iron curtain to formally reply to the Russians.

man of the special six-member committee which recommended censure, said he "wouldn't speculate" on whether the censure resolution would be reintroduced in the next Congress if the Senate failed to act on it before adjournment.

"I think the Senate will get a vote," Watkins said.

With McCarthy hospitalized for the treatment of an injured elbow, the Senate voted 76 to 2 Thursday to recess its temporary debate on the censure issue until Nov. 23.

Doctor Reports

The Senate received a report from Dr. George W. Calver, the Capital physician, that McCarthy had developed "traumatic neuritis" in his right elbow and could suffer "permanent injury" if he failed to stay in the hospital until Nov. 23.

McCarthy's condition was reported "a little improved" yesterday.

President Eisenhower was reported yesterday by his press secretary, James C. Higgerty, to be maintaining a special hands-off attitude.

seen in neighboring Algeria and in Morocco.

Two terrorists armed with revolvers and machine guns attacked two civilians about 40 miles east of Djelfa in Algeria. At Pau-Robert, between Orleansville and Tones, Republican security guards exchanged shots with three outlaws.

Other outlaws wounded a local constable at Casde-Smerdon and stole a rifle from a town policeman.

Two parachutists were slightly wounded during a brief skirmish with outlaws in the Aurès Mountains, but otherwise the mountains were quiet.

Condition Unchanged

At Auburn Memorial Hospital this afternoon, the condition of Mrs. Elizabeth Hanrahan, 82, of 3 Foote St., who was seriously burned last Tuesday in the yard at her home was reported unchanged. Mrs. Hanrahan sustained severe burns on front of her body when she was sleeping near an incinerator in which she

Ring, Cash Found, Police Called off

An Auburn woman who reported to police of two rifles that \$500 in bills and a diamond ring valued at \$2,500 had been taken from the unlocked trunk of her car told THE CITIZEN-ADVERTISER today that she has recovered the valuables.

Mrs. Anna H. Louis of 184 E. Geneva St. told a reporter who made inquiry today that she discovered she left the money and the ring in the home of a relative in Syracuse. She had previously reported to Syracuse and Auburn police that she had left the money and the ring in the car trunk.

The car had been taken from the Louis home to the police garage where it was dusted in a search for finger prints, after Mrs. Louis had notified local police headquarters.

May Plan Attack

This new development, it was said, raised the possibility of new offensive intentions by the Reds, either through direct military moves or threatened action aimed at bringing pressure to bear against non-Communist South Viet Nam.

Dulles and Mendez-France were understood to have agreed in large part on political and military steps to deal with the situation.

The political steps reportedly included ways and means of developing an effective anti-Communist government in South Viet Nam and agricultural reform. The military measures involve use of available military equipment in the south to train and arm units of a native anti-Communist army.

Young Girl 'Out,' Police Believe Liquor Did It

City police are investigating the case of a 15-year-old girl taken to the emergency room of Auburn Memorial Hospital by ambulance last night. Officers John Werobick and Clarence A. Vatter, the investigating officers, were detailed at an early hour today to the hospital on a call from that institution.

The officers stated that in the emergency room was a 15-year-old girl "apparently intoxicated." The girl's speech was "incoherent" and she declined to answer questions. Later, according to the officers, they learned from the girl's mother that the 15-year-old, with another girl, had been baby sitting.

The girl was found unconscious on the porch of her home, police were informed.
